

We don't know what colour *T. rex* was – yet! They might have been brightly coloured to attract a mate, camouflaged to help them sneak up on their prey, or something completely different. Colour in this picture to show how you think *T. rex* would have looked.

# THE TYRANNOSAUR'S FEATHERS

Written by Dr Adam S. Smith  
& Jonathan Emmett  
illustrated by  
Stieven Van der Poorten
